

## **Bystander Intervention Project: A Governance Model**

The Faith Communities Council of Victoria (FCCV) seeks to undertake a project across member faith communities to reduce incidents of sexual harassment, assault and gendered based violence. The FCCV intends to contract Kempster Consultants to conduct a 'train the trainer' Bystander Intervention approach.

To aid FCCV in the conduct of this project, a Project Steering Committee will be formed as set out below. The contractor will report to the FCCV through the Project Steering Committee. FCCV will also seek an independent evaluation the Bystander Intervention approach. Both the project and the evaluation are dependent upon funding from third parties.
